The Ellenor Foundation was established as a registered charity in 1985. It's aim is to improve the care available to patients with cancer and other progressive illnesses, together with support and guidance for their family and friends.

The Hospice Care Team covers the Dartford, Bexleyheath, Gravesham, Longfield and Swanley areas. In response to local need the Foundation has grown to provide a wide range of services, offered free of charge, thanks to the generosity of local people.
