### *The Writer:* Roger Cryer

A special word or two about the author of this year's pantomime. Roger Cryer writes and directs pantomimes that are performed both locally and further afield; but it is as provider of costumes for our pantomimes and plays that Roger is best known to us. He is the proprietor of Stage Costume(Dartford) supplying many amateur musical/dramatic societies, the professional stage and schools. His website, [www.stagecostume.co.uk](http://www.stagecostume.co.uk), reveals that he can dress whole musicals, provide an individual fancy dress or costumes for a themed party. Roger has become a good friend to *St Martin's Players* over the years as we have sent a miscellany of performers to be clothed for our productions.
