OUR NEXT PRODUCTION:

A Passion Play

To be performed in St Martin's Church during the week leading to Palm Sunday, 5th April, 2009.

This special production will be a St Martin's Church event directed by the Players. The play requires a large cast, with many non-speaking roles. We are looking for plenty of church members, young and not-so-young, stage-struck or novice, to take part in this exciting event.

We should like to invite those with an interest to our initial readings on Fridays 20th & 27th February at 8pm in the Huxtable Hall.

Jack and the Beanstalk

When our current *Jack* was younger, she was usually taken to the Orchard Theatre to see the annual pantomime. The pantomimes were often written by Peter Denyer; *Jack's* Dad thought the scripts would make good material for *St Martin's Players*. *Jack's* Dad also recognised the author's name - he was the actor who had been *Dennis Dunstable* in *Please Sir!* on TV. What *Jack's* Dad didn't know, until our website was contacted, was that Peter Denyer had started his acting career on the stage at St Martin's, before he moved to Erith Playhouse and then to the professional stage and TV fame.

How wonderful to know that the writer of this year's production of *Jack and the Beanstalk* used to be 'one of us'.

Let us hope we can do him proud!

Jack and the Beanstalk is one of the most popular and traditional pantomimes. We hope you enjoy our telling of the story of the boy who went to market to sell the family cow to pay the rent and came back with a bag of beans!

There will be a raffle at each performance in aid of:

CLAPA

The Cleft Lip and Palate Association.

One in every 600-700 children in the UK is born with a cleft lip and/or palate. CLAPA was set up in 1979 as a partnership between parents and health professionals. It provides support for new parents and for people with the condition and their families. Supporting from infancy through to adulthood. There is a network of regional branches and volunteer parent contacts. CLAPA also supports research into causes of the condition and is involved in education and confidence building activities with young people.

Carol Vorderman, whose older brother was born with a cleft lip and palate is the association's Patron.
